

CONSECRATION 2012

INSTRUCTIONS

Our Consecration begins January 1, 2012. This is "THE YEAR OF COMMITMENT." The term commitment gives the meaning of pledging to the state of being bound to another person. This heavenly mandate is what the Lord requires of the entire house towards Him and the vision he is giving. This time of commitment and in some cases "recommitment" will spurn heavier outbursts of God's interaction with us and through us and it will thrust us into a new position of seeking Him.

In preparation for this "YEAR OF COMMITMENT," the following instructions are suggested:
